Bringing the authentic, distinctive flavors of Thailand all the way to Las Vegas

“We are originally from Issan, the Northeastern part of Thailand.”

We are a family that likes to cook and spend most of our family time together in the kitchen.

So when we moved to Chiang Mai, the northern part of Thailand forty years ago, our father, Suweera Thonguthaisiri along with my mother Sutsawat Promkul, decided to open a **classic Issan restaurant**.

So that the people of Chiang Mai can enjoy authentic tastes from our region.

Weera Thai-Larb Ped was established in 1976 and still counting in Chiang Mai, Thailand. We were known for Larb Duck.

Which is ground boneless duck with spices, herbs, lime juice and chili. This is how we named our very first establishment as “**Weera Larb Ped**.”

In the year of 2010, Peter Thonguthaisiri and father, Suweera Thonguthaisiri, branched out here in Las Vegas, Nevada and renamed to become more moderated as

“**Weera Thai Restaurant**.”
